

BizMap Consulting Partners with Blackblot to Deliver High-Tech Product Management Training Services in India

BizMap consulting, an independent consulting firm specialising in product development and product management, has announced a strategic partnership with Blackblot - Product Management Expertise™, a provider of product management tools, training, and consulting services for high-tech companies. Under the terms of the agreement, BizMap Consulting has been granted an exclusive licence for India to resell the Blackblot Product Manager's Toolkit™ professional product management template collection, and deliver training using Blackblot's proprietary courseware based on Blackblot's best practice tools and methodologies.

Bangalore, India ([PRWEB](#)) May 6, 2009 -- BizMap consulting, an independent consulting firm specialising in product development and product management, has announced a strategic partnership with Blackblot - Product Management Expertise™, a provider of product management tools, training, and consulting services for high-tech companies. Under the terms of the agreement, BizMap Consulting has been granted an exclusive licence for India to resell the Blackblot Product Manager's Toolkit™ professional product management template collection, and deliver training using Blackblot's proprietary courseware based on Blackblot's best practice tools and methodologies.

"Bangalore is India's high-tech capital and we constantly experience an overwhelming need for proven methodologies that will allow our local companies to compete globally." said Mrs. Gauthami, Co-Founder of of Biz-Map Consulting. "By working with Blackblot we can now provide India's high-tech companies with practical world-class product management training and tools, specifically designed for the technology industry.", says the other co-founder, Mrs Bhavana Rao.

Gabriel Steinhardt, Blackblot's Managing Director added, "During the last decade India has become a significant force producing high tech products and a skilled workforce to match. We hope India's numerous innovative and entrepreneurial high-tech companies would find benefits from implementing Blackblot's structured and practical approach to technology product management."
