Dated: Dec 17, 2009

TIALEA, LLC, an independent consulting and training firm specializing in product development and product management, has announced a strategic partnership with Blackblot – Product Management Expertise™.

TIALEA, LLC, an independent consulting and training firm specializing in product development and product management, has announced a strategic partnership with Blackblot – Product Management Expertise™, a provider of product management tools, training, and consulting services for high-tech companies. Under the terms of the agreement, TIALEA, LLC has been granted an exclusive licence for Germany to resell the Blackblot Product Manager's Toolkit™ professional product management template collection, and deliver training using Blackblot's proprietary courseware based on Blackblot's best practice tools and methodologies.

“Germany has a growing need for professional product management education, in particular for the engineers and scientists responsible for managing complex products in the high-tech sector.” said Mr. Ruediger Klein, Principal of TIALEA, LLC. “By working with Blackblot we can now provide Germany's high-tech companies with proven, practical world-class product management training and tools, specifically designed for the technology industry.”

Gabriel Steinhardt, Blackblot's Managing Director added, “During the last decade Germany has become a significant force producing high-tech products in non-traditional industries with a skilled workforce to match. We hope Germany's numerous innovative and entrepreneurial high-tech companies would find benefits from implementing Blackblot's structured and practical approach to technology product management.”
